Delegate Nomination Form

BECOME A UNION DELEGATE

Delegates are union Members just like you, who are trained and supported by the union to:

- help solve problems at work
- provide information and advice
- encourage their workmates to join the union
- support campaigns for fair, safe and flexible workplaces
- talk about the work of the union and collective bargaining to new employees
- represent their co-workers.

Delegates are the heart of the way we work.

- Delegates are elected by members as union leaders in their workplace and are the first point of contact for information and advice.
- Delegates are essential because the work they do keeps our union strong and united.

**Training and support
is provided**
